

Sun Bonnet Instructions Skill Level: Intermediate

- 1 Print these templates:
Sun Bonnet Outside (print 4 copies)
Sun Bonnet Middle
- 2 Cut out connector strips from one of the four “Sun Bonnet Outside” copies
- 3 Connect all four “Sun Bonnet Outside” copies by gluing connector strips along construction dots (······)
- 4 On all templates cut along these lines (———)
- 5 On “Sun Bonnet Outside” be sure the connector strips and dashes (- - - -) are on the reverse side. Fold the inner half-circles up along these dashes.
- 6 Bring corners (each marked with an x) of “Sun Bonnet Middle” to each other (do not overlap or leave space between). Tape in place so that “Sun Bonnet Middle” looks like the center part of the picture below
- 7 Glue “Sun Bonnet Outside” and “Sun Bonnet Middle” together
- 8 Your hat will look like this:
